Dear Lesley

**Re: Imisebeyelanga Services**

May 2010 be the year of growth and abundance for you, you loved ones, your trustees, ambassadors and your organization.

Please allow me the opportunity to express our gratitude for the support we received from The Infant Trust since 2007.

It has been an amazing road to travel with people as dedicated as you. After initial contact and visits, you took a huge risk by investing in our organization. We were a small, emerging organization but with the support from The Infant Trust, we became a force to be reckoned with.

I would like to express my appreciation to you and you trustees and ambassadors. Thank you for your hard work, especially through the tough times in 2009. Thank you that you did not give up on your vision. Thank you that you are changing thousands of lives in South Africa. Thank you that you are part of Imisebeyelanga Services. We are so proud to be associated with you.

Please convey our gratitude to every person involved in your organization. A special word of thanks to you – you are a very special person. Thank you for believing in us. You are making a HUGE difference in the lives of people. May this new year bring more opportunities for growth and change.

Allow me to end with the words of Ethel P Andrus: **“The human contribution is the essential ingredient. It is only in the giving of oneself to others that we truly live”**.

May God bless The Infant Trust.

Warm regards from South Africa!!

Germa Hatting – on behalf of the Management Board and all our beneficiaries
